

# FOSS BANK

guest house

Welcome to Foss Bank Guest House, a Victorian town house overlooking the Foss and just a 10 minute stroll from the Minster and the City centre. Under the personal supervision of the owners, we have five comfortable rooms and serve delicious breakfasts using many local ingredients.

## FACILITIES

We have tastefully renovated the house while retaining many original features. There is a private car park which allows you to leave your car and walk into the City via Monk Bar, one of the original stone gateways through the City walls.

Delicious breakfasts are served using fresh local ingredients including Shambles Butchers bacon and sausage, Bracken Hill Fine Foods jams and marmalade, and local free range eggs.

We are within easy walking distance of many local restaurants and are happy to offer recommendations.

We have five individually furnished comfortable rooms. Each has either a shower or is fully en suite. Tea and coffee making facilities are provided along with television and hair dryer.

## Foss Bank

16, Huntington Rd, York, YO31 8RB

Tel: (01904) 635548

email: kev.jervis@zen.co.uk

Guests are made to feel very welcome. All rooms are individually decorated, comfortable and warm where guests can enjoy the restful atmosphere that remains a central theme to the interior of the house.

Many personal touches make Foss Bank the perfect place to relax and unwind after a days sightseeing.

There is visitor information and guide books available to the guests, and we are delighted to provide further information and advice on 'where to go' and 'what to see' in York and the surrounding areas.
